

Please fill in the following form. and fax or Email us(86-20-34729558, sales@gmbattery.com) Thank you!

Customer Information

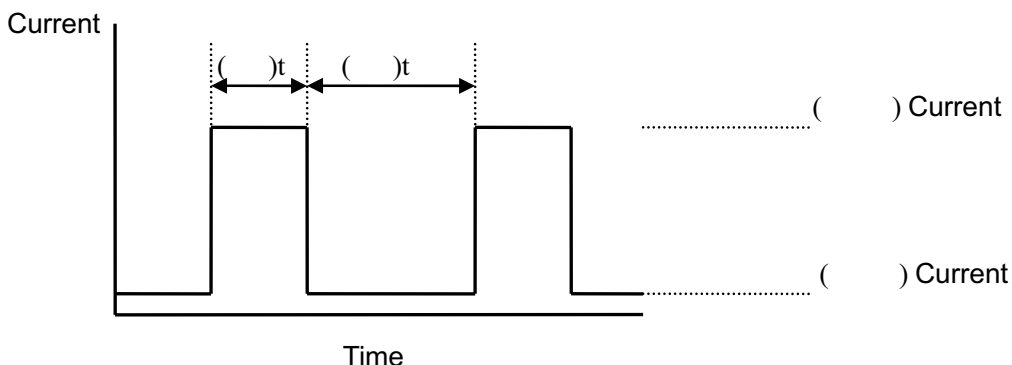

Company: _____ Business type(ex.Manufacturer,Trader,etc.): _____
 Contact name: _____ Title: _____ E-mail: _____
 Phone: _____ Fax: _____ Website: _____

Application Description

Used in: Existing Device/Product(Description): _____
 Existing Battery in Use(Chemistry,Voltage,Capacity,etc): _____
 Specification Required(Mil-Spec.,Regulatory,etc): _____

Battery requirements

Voltage: Min. _____ Max. _____ Typical _____ Cut off _____
 Drain: Constant Resistance: _____ ohms. Constant current: Min. _____ mA. Max. _____ Ma
 Typical: _____ mA. Standby drain: _____ mA
 Pulse: Peak current: _____ mA. Pulse duration: _____ milliseconds or seconds
 Pulse interval: one pulse per _____ milliseconds _____ seconds _____ minutes _____ hours _____ days _____ years

Pulse cycle(if there are pulse cycles of different pulses,pls describe): _____

Temperature range & Operating life

Duration: _____ months _____ years. Operation life:(mins/hrs/days/etc.) _____
 Storage min.: _____ °C. Typical: _____ °C max. _____ °C
 Operation min.: _____ °C. Typical: _____ °C max. _____ °C

Quality & Delivery requirements

Estimated annual volume: _____ Order schedule: _____
 Sample requirement(Q'ty): _____ Requirement date: _____

Connectors

Terminals(type) Brand: _____ Model: _____ Wire leads(gauge,length): _____
 Custom(specify): _____

Other requirements
